You will surely know the meaning of a true friendship and a good friend!!! My mind readers, yup I have got friends who can just see my face and tell me wat I am

thinking. Even if it's just having someone to share your problems with, friends can help you cope. Friendship is a two-way street, and the "give" side of the give-and-take contributes to it. But then, wouldn't life be monotonous if we don't have someone by our side? . All in all, friends play an important role in shaping our personality. When we have a friend we are no more alone, we can share our difficult around the world than ever there is a lack of "friends" in our lives. To be a good friend and help someone else, we need the motivation to do just.
