ONE RAY OF **HOPE**  
AGAINST A POISONOUS  
AND TREACHEROUS  
**DARKNESS**

# DARK EARTH™

Earth is a dark world. Dust and debris choked the air and your flesh is being attacked by a deadly virus. Poisonous clouds drift across the black sky, animal and plant life has all but died out. In this unforgiving landscape you must uncover a secret that will help restore the one thing that can save all humanity - *light!*

You'll discover grisly murder plots through real-time adventure and fight treacherous, greedy and bizarre characters in fully-controlled combat. But beware! If you're not careful, foes will destroy the city and your life as you ponder your next move.

- Jump into a real-time graphic adventure game set in a robot, active and visually-stunning world.
- Experience real-time combat and character reactions, matched by intense time pressure to solve the game.
- Immerse yourself in 25 minutes of high-quality video scenes, 100 unique separately-modelled characters and 260 pre-rendered camera views.
- Easy to control character movement, combat, conversations and inventory management.

THE EARTH IS DARK  
BUT THERE IS A RAY OF HOPE AND  
YOU HAVE TO FIND IT!
